Dear Mr. Shah:

On behalf of the Suffolk County Executive, the Office of Multicultural Affairs and Community Engagement, has completed its review of your application for Suffolk County certification as a Minority-Owned Business Enterprise (MBE) and has determined that your firm meets eligibility requirements pursuant to the office of the County Executive.

We are pleased to inform you that the firm, **GNY Equipment Inc.**, has been granted status as a Minority-Owned Business Enterprise (MBE). Your business will be listed in the County Directory of Certified Businesses and your Certificate is enclosed.

Certification status is not intended to imply that the County guarantees your company's capability to perform on contracts, nor does it imply that your company is guaranteed any County business.

Be advised that your certification remains in effect until **9/02/26**. You will need to recertify/update your information prior to the noted expiration date. Please remember that any changes in your company that affect ownership, managerial, and/or operational control must be reported to this office within 30 days of such changes, including changes of company name, business address, telephone numbers, principal products/services, and bonding capacity. If your certification status is questioned by any public or private entity, please direct the inquiry to this office for clarification.

Thank you for your cooperation. On behalf of Suffolk County Executive Edward P. Romaine, I wish you luck in your business endeavors, particularly in those involving County agencies.

Sincerely,

Grace Ioannidis
